The Haveri Electric Supply Company, Haveri.

Ref. H/O.51. Date 25th April 194.2.

The Secretary,
Public Works Department,
Government of Bombay,
BOMBAY.

Sir,

Sub:- 24 hour supply at Haveri-- exemption from giving-- For the duration of war.

We have been asked by the Electrical Inspector, Bombay - Province, to show cause why we should not be prosecuted for not giving a continuous supply of energy for all the 24 hours.

Our electric supply company started (sanction) under section 28 of the Indian Electricity Act. At the instance of Govt., we ~~applie~~ applied for the License which was delayed for well over three years an and granted in 1940, May 2nd. We were unable to obtain the necessary machinery due to the war conditions so as to give continuous supply for 24 hours.

To obtain crude and Lubricating oils even to run the existing small engines has become extremely difficult. There is no load at all in the day time, the town being a small one. We, therefore, request you to allow us to continue to supply as we are doing only during the nights and not compel us to give any day service.

The total capacity of the installed plant is only 24 K.W. and we feel that undue strain may be placed on our engines and a breakdown may result if we ran longer hours.

We request you to consider the difficulties in the way of our giving a continuous supply and grant us exemption till the duration of the war.

Thanking you in anticipation,

Yours faithfully,
For the Haveri Electric Supply Co.,

R.R. Mirchi.

To
The Deputy Secretary to Govt., of Bombay,
Public Works Department,
Secretariate, B O M B A Y.

Respected Sir,

Sub:- Criminal Case launched against the Haveri Electric Supply Co.,

P.4

We beg to acknowledge with thanks your letter No.5933/ 5-M dated 21st May 1942 and beg to submit a few lines for your kind consideration and necessary action thereupon.

Eversince the commencement of the Haveri Electric Supply Co., as a SANCTION we were allowed to supply a restricted number of hours. Upon the advice of Government this sanction ~~wi~~ with restricted hours of supply was converted into a License with a full and continuous supply. This License was granted in May 2nd 1940 right in the middle of the war. At which time beyond the scarcity of fuel oil and Lubricating oil, we were quite unable to get any spare parts which were badly required for the maintenance. Therefore we continued to give partial supply with a hope to get our action legalised by your goodself which was granted as per your letter ~~a~~mentioned above.

Now, there happens to be a prosecution launched against us by the Government Electrical Department P.W.D. Bombay for not supplying a full and continuous supply according to the terms and conditions of our License. As this prosecution, You may see, ~~happe~~ happens to be quite unnecessary as a case for action, which has been legalised by your goodself, would you kindly prevail upon the Electrical Department, P.W.D. to issue necessary orders to the I class Magistrate, Haveri, to abstain any legal proceedings - - against us?

On 16th June 1942 a Summons was served against Mr. N.D. Nerurkar, the Licensee, was received by me here and I wanted to file my statement on behalf of Mr Nerurkar who was not here on that day, but it was not accepted probably due to legal objections. Now I hear that a Non-bailable warrant will be issued against Mr. Nerurkar who is now residing at Savantwadi.

We shall be highly thankful to you, to kindly attend this matter at a very early date as the case is coming up for Hearing at the end of this month.

Thanking you in anticipation,

Yours faithfully,
For the Haveri Electric Supply Co.,

THE HAVERI ELECTRIC SUPPLY COMPANY.

Ref. H/053. HAVERI. 2nd July 1942.

The Deputy Secretary to the Govt, of Bombay,
Public Works Department,
Bombay.

Dear Sir,

Subj:- Levy of minimum charges under restricted supply.

We beg to acknowledge receipt of your letter No.5961/36-M of the 18th June and beg to state as follows:-

You might remember that we obtained a Sanction in the beginning and were giving supply only for a few hours every day. The minima were fixed sufficiently low to attract consumers and after the grant of License we have been unable to increase the number of hours of supply due to the non-availability of plant and difficulty to obtain fuel oil. As a matter of fact, the number of hours during which we supply energy per day now is slightly in excess to the number during the Sanction period. Therefore there will be no question of any reduction of the monthly minima charges in proportion.

Yours faithfully,
THE HAVERI ELECTRIC SUPPLY CO.
HAVERI.

To

The Deputy Secretary, to the Government of Bombay,
Public Works Department, Bombay,.

Subject;- Haveri Power House.

Sir,

× copy at the commencement.

With reference to Government P.W.D. letter No. 3902/36-EL dat× 30th September 1946 removing restrictions for supply, we beg to inform y that the condition of our engines is such that they are not taking full load and in the absence of spare parts of the orginal manufacture, for which we have placed order long ago, it is not possible to overhaul the engine completely and to recondition the same.

We have in all three sets in our power house and the rated capacity of each and the load each takes at present are as follows;-

Set No. 1	10.5 K.W.	9 K.W. 9.8
Set No.2	7.5 K.W.	7 K.W.
Set No.3	6 K.W.	6 K.W.
	24 K.W.	22.8 K.W.

The present peak load is 22.8 K.W. and is thus nearly equivalent to the load the plants can take.

In this connection, we have to state that in view of the present condition of the engines, it would not be in safe to run the plant continuously for 12 hours as it would necessarily accelerate in deterioration and would cause complete failure. Further taking into consideration, the load available in this place after midnight the engines will be running with practically the negligible load. Thus the running of the power house as at present viz, from 6 P.M. & 12 Mid Night would be both economical as well as conducive to life the plant.

ay.

We would, therefore, request that we may be allowed to give restricted hours supply as has been given prior to the renewal of the control, till such time as the spare parts become available or spare sets for which we have placed orders.

Thanking you in anticipation.

Yours faithfully

For Manvi Brothers

Bombay, 13 December 1946.

Returned, with compliments.

2. In view of the old condition of the engines and non-availability of their spare parts, it is not advisable to keep them running continuously during the day time when there is no load. The load of the Company is entirely of lighting, including street lighting, and it is taken only from 6 p.m. to midnight, after which there is only negligible load of street lighting.

3. In the circumstances, it is suggest-ed that the District Magistrate may be advised to issue an order under sub-rule 2(a) of rule 81 of the Defence of India Rules, restricting the supply from 6 p.m. to 12 midnight and in accordance with the Municipality's street lighting schedule, as was done in the case of this undertaking during the war time - vide Government, Public Works Department, letter No.5933/36-M, dated the 21st May 1942.

x p.5 ante.

4. In this connection, it is stated that a new Lister set of 38 B.H.P. is being erected.....

erected by the Company and after it is put in commission, the present load position is likely to improve.

The District Magistrate,East Khandesh.
The District Magistrate,Kolaba.
The Additional District Magistrate, Satara.

Subject: Restriction in the use of electricity.

Reference: Paragraphs 3 and 4 of Government Circular, Public Works Department,No.8224/36-El.(II),dated the 30th November 1946.

2. Several Licensees have since applied to Government for restricted hours of supply of electric energy for reasons such as inadequacy of plant, non-availability of spare parts , want of motive power load, etc. after careful consideration,Government has decided to restrict the hours of supply in respect of the Electricity Supply Undertakings, as shown in column 3 of the sub-joined statement :-

Name of Undertaking.	Existing hours of supply per day.	Decision of Government.
District Surat.		
1.The Udwada-Vapi Electric Supply Company.	12½	The hours of supply at Udwada should be restricted to 12½ hours per day,i.e., from 6 P.M. to 6-30 A.M., and the hours of supply at Vapi should be extended to 24 hours.
District Belgaum.		
2.The Nipani Electricity Company.	12½	The hours of supply should be restricted to 16 hours from 4 P.M. to 8 A.M.
3.The Light and Power Suppliers Limited, (Athni).	6	The hours of supply should be restricted to 6 hours per day.
District Thana.		
4.The Palghar-Navli Electric Supply Company.	12½	The hours of supply should be restricted to 12½ hours per day.
District Dharwar.		
5.The Byadgi Electric Supply Company.	6	The hours of supply should be restricted to 6 hours from 6 P.M. to 12 midnight. The Company should,however, be asked to make immediate armangements to install an additional set so as to fulfil its obligations to the existing as well as prospective consumers.

==========

No.LRM.31/1838 of 1947. Bombay, 27th August 1947.

Returned, with compliments.

2. There has been so far no change in the circumstances which necessitated the restriction in the hours of supply in respect of the Supply Companies mentioned in para.2 of the Secretariat office note at pages 103-104. These Companies have not yet secured the additional generating sets for which they have placed orders long ago and, in view of the bad condition of the existing plant, it is not advisable to run it for longer hours, specially during the day time when there is practically a very small load available. I, therefore, consider that in the interest of the plant the Companies referred to above may be allowed to continue the restricted hours of supply, as sanctioned in Government, Public Works Department, letter No.8224/36-El.(ii) dated 10th March 1947, at pp.93-95 ante, by issuing an executive order, - vide in this connection para.3 of Government, Public Works Department, letter No.8215/36-El.(ii) dated 21-10-1946.

2|- On the general case re: restrictions in the use of elty. (file[x] No. 8224|36), it has since been decided that restrictions on the hours of supply, where necessary, shd. be imposed by an executive order. In this case the El. Engr. has recommended that the hours of supply as fixed by Govt. in G.L. No. 8224|36-E|.(II), dated the 10-3-47, pp 35-37 for this station may be allowed for some time. The report submitted by the El. Engr. to Govt. is dated the 27-8-47, p.41. Attention in this connection is also invited to para 4 of the El. Engr. to Govt's U.O.R. at pp 29-30 ante.

3|- The draft put up for approval may issue after U.O.R. to the El. Engr. to Govt., in view of the 'A' above.

Subject :- Hours of supply at Haveri.

Dear Sirs,

I am to refer to the D.M., Dharwar's Order No. POLSR. 143, dated the 29-3-47 [p.39] restricting hours of supply of energy in the case of your undertaking at Haveri and to state that the Emergency Provisions (Continuance) Ordinance, 1946, having expired, the order of the D.M. is no longer in force. In view, however, of the present condition of your plant Govt is pleased to permit you until further orders to supply energy at Haveri for six hours only from ~~from~~ 6 p.m. to 12 midnight per day and in accordance with the Muni. street lighting schedule.

2/- In this connection I am to remind you of your responsibility of bringing your plant up to standard, as soon as possible, in order to fulfil your obligations under the I.E. Act, 1910. You are accordingly requested

5933|36|51096. 46

to make immediate arrangements to instal an additional set and to report the progress made in this connection to Govt. every three months.

D.A. – Nil.

Yours faithfully,

Sub: Hours of Supply of electric energy at Haveri.

Sir,

With reference to your letter No.5933/38-Elec dated 9th June, 1948, regarding para No.2 we have to inform you that we are going to change the whole system from DC to AC. Ready-made suitable sets are not available anywhere and we are under correspondance with the firms and the information will be given to you as soon as we succeed in obtaining the sets.

We further bring to your kind notice that no materials of electrical undertakings are available in the market and we have properly approached the authorities concerned for our required materials such as poles angles, rounds and cement etc., through quota or licenses, which please note.

Yours faithfully,
For Manvi Brothers,

V. R. Bulla
